

WSSEF Participation Stipend **March 31 & April 1, 2017 ~ Assistance Funds Application**

Each year, for the past 60 years, students' grades 1 – 12 have gathered for the annual Washington State Science and Engineering Fair. To enable a greater number of Washington State students to participate in the Fair, the WSSEF is pleased to offer the participation stipend program again this year. This limited funding is offered to participants from public, private, parochial or home schools, including those attending Regional Fairs, which apply and meet the criteria.

Requirements

- Participants must travel to Kitsap County, Washington and attend the Washington State Science and Engineering Fair held on March 31 & April 1, 2017 in Bremerton, WA.
- All students can enter and attend the WSSEF, but may submit only one application for funding per group.
- A minimum of five students sponsored by a teacher, school or school district are required to apply.
- To receive funds at the Fair, provide a list containing on-site student names and project numbers.

Student to Funding Stipend (based on submitted criteria, approval and available WSSEF funds)

- 5 Students = \$75.00
- 10 students = \$200.00
- 15+ students = \$375.00

Funding requests may include travel expenses, presentation supplies, lodging, teacher / student supervisors and tourist excursion activities. Briefly explain your need for these funds or attach an additional page.

Applications are reviewed by a WSSEF committee and awarded based upon need. During application review, the WSSEF may consider the number of group applicants from a single area, combine requests and the level of assistance the applicants receive from other sources. Funding checks available following registration confirmation and WSSEF participation. WSSEF reserves the right to adjust the amount awarded and deny applications.

Submission deadline is March 17, 2017.
